Notifications and Releases

We want to make your experience with every aspect of our service, meet or exceed your expectations. If you have any questions or concerns, suggestions for improvement in our services, or any comments, please do not hesitate to speak with any of our staff or physicians.

Listed below are several notices that outline certain responsibilities of ours, and yours. **Please read them carefully and sign where indicated that you have read each statement.**

****General Consent for Treatment**

We look forward to treating you as a patient, however, we need your permission for our physicians to examine you, provide treatments, and perform diagnostic studies as necessary. ****Financial Policy / Assignment of Benefits**

As a courtesy to our patients, the practice accepts assignment from most commercial insurance programs. We will file your primary insurance claim for you. Once the primary insurance has paid, we will also file your secondary insurance, if you have provided us with that information. However, insurance is a contract between you and your insurance company. Therefore, we ask that you acknowledge your responsibility for the payment of our services.

A 24-hour notification is required for cancelled/rescheduled appointments, or you will be subject to a fee. _____ (patient initial)

If the insurance denies coverage, disallows a service, or otherwise does not pay the claim, you are still responsible for the fees. Balances not paid within 30 days after your first treatment will be subject to a 1½% service charge per month. In addition, if the fees for our services are not paid, we may turn the account to a collection agency. Attorney's fees and court costs will also be added to the outstanding balance if it becomes necessary to take legal action to collect past due amounts. Also, your insurance company may ask us to provide information concerning your treatment before they will pay for the services.

I acknowledge it is my responsibility to ensure payment of fees for services provided by the practice and authorize the practice to release any medical information, if necessary, to my insurance company.
